## **PRESS RELEASE**

**Casarile, May 02, 2013 – Page 1 of 1**

**CATTINI & FIGLIO ACHIEVES ENVIRONMENTAL CERTIFICATION OF ITS HEADQUARTERS PLANT ACCORDING TO THE INTERNATIONAL STANDARD UNI EN ISO 14001:2004.**

**FOR IMMEDIATE RELEASE**

**CATTINI & FIGLIO is pleased to announce that the environmental management system of its headquarters plant in Casarile has been certified according to the international standard UNI EN ISO 14001:2004.**

**Today is one of the brightest days in our Company's history, affirms Company's C.e.o. Lorenzo A. Cattini, as our efforts to bring our oldest site to today's standards received full recognition by a qualified third party Registrar.**

**I think that we made many Customers especially happy today, reiterates Lorenzo Cattini, as they received an important assurance of our Company's capacity to deliver according to our promises.**

**The site was built by Company's founder – Pierino Cattini – in 1957 and everybody can imagine how many legislations have changed in more than 50 years and how much effort has been put in place to achieve this result; I wish to thank everyone involved in this project, concludes Lorenzo Cattini, and to inform the community of stakeholders that we already planned the environmental certification of our second largest plant in Casarile within FY 2015.**
